

## Every Friday (16 December 2022 - 14 April 2023)

**Adventurous snowshoe hike exploring the ancient Köfels landslide in the NATURE PARK ÖTZTAL** ... let yourself be enchanted by the wintry fairy tale forest and embrace the pristine silence around you. We'll hike past the Winkelberg lake and hike on secluded paths up to the Köfels plateau. A massive landslide happened here roughly 9000 years ago and shaped this unique landscape - our nature guide can tell you more about these events. In Köfels we'll enjoy a cozy break at the Jausenstation Edelweiß and can relieve our tour while our cheeks heat up from our outdoor adventure in the fresh winter air.
