## Every Thursday (23 June - 15 September 2022)

Buying regional produce promotes the preservation of the local agriculture and economy, reduces climate-damaging transport routes and indirectly promotes the preservation and beauty of our cultural landscape. It is the Ötztal Nature Park heart's desire to set an example. Therefore, we invite our local producers to present and sell their colourful range of regional products. Honey, jam, liqueurs, schnapps, cheese produce, sausages and meat, but also crafts made from felt, carved wood, stone pine pillows, soap and more will be offered. Marvel at the regional variety and purchase rural delights to take back home.

„EPPAS GUETS UND SCHEAS“ (something good and nice) from the Ötztal!
