

Pasture Hike

Every Tuesday (7 June - 4 October 2022)

A varied nature park hike to three different mountain pastures. The taxi takes us a little way into the Horlachtal valley. This wonderful circular hike starts from there. The wildly roaring Horlachbach brook brings the glacier water into the valley and demonstrates us the force of water and the energy of nature. We follow the tracks of the Niederthai farmers. With a lot of effort, the steep slopes up to far into impassable terrain are maintained and mown. We can admire the result in the form of a unique biodiversity of flora and fauna. The descent to Niederthai follows the scenic Bergmahderweg trail. ENJOYMENT IS A TOP PRIORITY.
