Every Tuesday (7 June - 18 October 2022)

YOU too should come and join us - we craft our own name tag out of a wooden plate and colorful wooden beads. Followed by a leisurely adventure hike for young and old - all the family is warmly welcome to join us. Equipped with magnifying jars, we hike towards scenic lake Habicher See. Let's see which animals we can discover and watch through our little magnifying glass. Boredom is literally unknown here. Our expert Nature Park Guide can tell you heaps of exciting facts about the insects you found. In the dark we will light our lantern and hike back to the village center with many wonderful impressions. An eventful evening that promises memories that will stay with you forever.
