Every Thursday (10 June - 30 September 2021)

In the course of this hike you get to know more about Ötztal's landscape, culture, history and inhabitants. A stopover at the Local Heritage Outdoor Museum adds to a wonderful day. Have you ever seen a saw driven by the sheer power of water? Many more exciting stories about the farmers' way of life in the past are on the program. Then you climb the stairs leading up to the suspension bridge, and further on to the fantastic viewing platform located right below the mighty Lehner Waterfall. Climbers dare to conquer the nearby via ferrata while you restore your energies at this wonderful place of strength in the Ötztal...
