

Kühtai - Niederthai

Every Thursday (10 June - 30 September 2021)

An Alpine crossing at its finest: from Kühtai you hike uphill through the Alpine forest to Finstertaler Stausee, a giant man-made water reservoir amid the stunning scenery. The next and more demanding stage takes you up to Finstertaler Scharte ridge. This is the best place to enjoy picture-book vistas of the Ötztal - with mighty Wildspitze peak as glowing backdrop. High Alpine landscapes formed by glaciers offer a myriad of herbs and flowers such as the glacier crowfoot right amidst a stony desert. Horlachtal valley takes you down to Niederthai's basin. Admire - restore energies...
